

2021 Africa Forum

Lawrence Wintermeyer- Executive Co-Chair and Guarantor, Global Digital Finance

Lawrence is a globally recognised digital advocate in the financial services sector with a track record as an advisor, executive, and board member, working with firms from early-stage start-ups to global brands.

Based in London, he is the Principal of Elipses, a digital investment management firm focused on sustainable investments and state of the art digital technologies like blockchain, big data, and AI.

He is a co-founder of Global Digital Finance, a global members' network delivering advocacy and standards to promote fair and transparent digital markets, and he is the former CEO of Innovate Finance, the UK fintech members association.

Lawrence has an MBA, sits on several boards, and is a regular Forbes contributor. He promotes ethical and sustainable finance policies for a transparent, secure, and quality digital future for everyone.
