**Olufemi Daniel Esq. - Lead, Regulations Monitoring and Compliance,  
National Information Technology Development Agency (NITDA)**

Olufemi Daniel is a lawyer by training with passion for technology, data privacy, startups, Open Banking and innovative regulations. Femi authored *WITTY SAYINGS AND QUOTES OF NIGERIAN JUDGES* (2012) and *INTRODUCTION TO COMPUTER LAW IN NIGERIA* (2015).

He was In-house counsel at SystemSpecs (Owners of Remita software) till 2017. Femi is currently with NITDA, where he leads the Regulations Monitoring and Compliance Team and the Desk Officer for Nigeria Data Protection Regulation (NDPR).

Femi is the Vice Chair of African Union hosted Technical Working Group on Data Protection Harmonisation in Africa. Femi's work with NDPR led to the creation of the new data protection sector in Nigeria currently valued at N5.5 billion and employing over 3,100 Nigerians.

He led three successful data breach investigations. Femi co-authored the first Nigeria Data Protection Regulation Performance Report in 2020. He recently co-published *Data Protection in Nigeria* with Mr. Inuwa Kashifu (DG NITDA) and Ms. Aissatou Sylla (Hogan Lovells LLP, Paris).
